

College of Baltimore

OPENED 1888

BOUCHER, PRESIDENT

Baltimore is situated near the northern boundary, Md., in the new and pleasant residence city.

number—three devoted to instruction and science. All are new, cheerful and commodious purposes and containing the conveniences are heated from a battery of boilers and of the College.

Enriched laboratories facilitate study of the modern methods. The apparatus is of recent date. Maps, charts, engravings, photographs and specimens of objects illustrating natural history and geology. There is a good, modern working library. If a million volumes are at the service of the student they are readily accessible.

The curriculum includes prescribed subjects and elective subjects in about equal proportions. Students who enter the college are led to lay a solid foundation for subsequent study in Greek, Latin, French, Spanish, Italian, German, English, Mathematics, Geology, Mineralogy, History, Economics and Sociology. Upon the completion of four years, the student is graduated with

the degree is required to pursue a course in science. A commodious modern gymnasium with systematic exercises according to the Ling, or Swedish, method under the supervision of a number of careful trainers and supervision of a number of cutters. Halls are provided for basket ball and other games taken to prevent excess in these exercises.

Requirements of Eastern Colleges and should be met in good high schools in which at least one year of Latin is embraced in the course of study, on which furnish full details will be consulted and if found sufficient will be accepted. Certificates of acceptance will be necessary. Certificates accepted.

Entering upon its eighteenth session. Its enrollment is over a hundred. Recent graduating classes have won many honors, and for the present its students are from all parts of the country.

College courses, regulations for the government of halls, blank forms of application and other subjects will be promptly furnished.

Rev. James C. Brainard.

James C. Brainard was born January 21st, 1830, in Broome county, New York, and died at Beloit, Kansas, April 12th, 1906, at the age of 76 years. In about the year 1856 he was married and moved to Wisconsin and was received on trial in the West Wisconsin Conference in the same year and was appointed to Richland Center. Afterwards he labored two years at Bellville, two years at Cadis, two years at Dane, two years at Spring Green, then he took a supernumerary relation for two years, was again given effective relation and served Avoca two years. Transferred to Wyoming Conference (New York and Pennsylvania) he served Barton and Nichols two years each and was transferred to the Illinois Conference and stationed at Charleston one year and at Gibson City one year. In 1885 he was transferred to the Kansas Conference and was stationed at Whiting. His wife's health was much impaired and she died soon after he arrived at his appointment. In 1886 he married Elizabeth A. Likely. At the Conference in 1886 he was appointed to Clifton Circuit. Here he was very popular with the people, but his health was failing and at the end of two years he asked for a supernumerary relation, which was granted. He moved to Mitchell county, lived on a farm, but served surrounding circuits and preached to the people as opportunity offered. He finally moved into Beloit. Here he made many friends and was beloved by all who knew him. He was a good faithful minister of Jesus Christ, preaching a full and free salvation, and the doctrines that he preached had entered into his own life and made it all sunshine in the brightness of the Lord. He was a brother beloved especially by the preachers who were fortunate enough to be intimately acquainted with him.

The editor of the Beloit local paper said of him, "If there is such a thing as a living pure spotless life on this earth, Mr. Brainard came as near or nearer to that standard of living than any person we have ever known."

He was the father of ten children. Seven had died. He leaves a wife and three sons. They mourn for him—but here again their loss is gain—the funeral services were held in the Beloit Methodist Episcopal Church. Addresses were made by Rev. J. A. Bull, Rev. McMillen and Presiding Elder F. D. Baker of the Northwest Kansas Conference. He was buried in the cemetery near Beloit.
