Dr. Robert Percival Alexander, missionary of the former Methodist Episcopal Church in service in Japan, died at his home on the Aoyama Gakuin campus, Tokyo, on January 13. He retired from active service in 1933. He first went to Japan in 1893 as a teacher of Bible and of English in the academy department of Aoyama Gakuin, Tokyo, a Methodist college. All his missionary and educational career has been in connection with that institution and city, except for several years spent in Hirosaki city with the Gospel Society and the Hirosaki Boys' School. He was recognized by the government and by other educators as one of the outstanding teachers of English in all Japan, and many of Tokyo's leading citizens have been members of his Bible classes conducted usually in his home on the campus. The alumni of Aoyama Gakuin built and presented to Dr. and Mrs. Alexander a residence on the college campus, in token of their affection. Born in Stanhope, Canada, on November 24, 1862, he was educated at Mt. Allison University, later taking his A.B. and M.A. degrees at Harvard University. In 1903, just prior to his appointment as a missionary, he joined the New England Southern Conference of the Methodist Church and was a member of that body at the time of his death. In 1902 he married Fanny Gray Wilson, then a missionary of The Woman's Foreign Missionary Society, in Japan. She survives, as do also five children.

emotion, as MacDougall explains it. Back of it are both awe and gratitude, and back of awe is a blend of admiration and fear. "Few merely human powers are capable of exciting reverence, this blend of wonder, fear, gratitude, and negative self-feeling," he says. "Those human beings who inspire reverence . . . usually owe their reverend character to their being regarded as the ministers and dispensers of divine power."

ROBERT PERCIVAL ALEXANDER

The Rev. Robert Percival Alexander, eldest son of George and Isabella Alexander, was born at Stanhope, Prince Edward Island, Canada, November 24, 1862. He left this life at the age of 77 years, after an illness of a year, from St. Luke's Hospital, at one o'clock, January 6, 1940.

Following preparatory education in Prince of Wales College, Charlottetown, Prince Edward Island, he graduated as a Bachelor of Arts from Mt. Allison College, Sackville, New Brunswick. After teaching in Mt. Allison College he entered Harvard University in 1891 where he was granted the A. B. degree and a scholarship. For the following year together with a First Grade Head-Laster's Certificate from the Boston Public School Board. In 1893 he was granted the M. A. degree from the Harvard Graduate School. Also in 1893 he was ordained as an Elder in the Methodist Episcopal Church and became a member of the New England Southern Annual Conference.

He married Mary Christine Vroom, June 27, 1893 at Bear River, Nova Scotia, and sailed with her for Japan, July 17, 1893. To this union there was born one son, George Ditmars Alexander.

Mr. Alexander became a teacher in Aoyama Gakuin from 1893; in 1897 he was appointed to the Gospel Society in Hirosaki, and he was also for one year Pastor of the Furoishi Church. Mrs. Mary Christine Vroom Alexander died in Hirosaki in 1899.

While on furlough in the United States in 1901 he was married to Fanny Grey Wilson, and together they returned to Japan in the Spring of 1902; proceeding to Hirosaki he again had charge of the Gospel Society until 1906. During that year the family moved to Tokyo and Mr. Alexander became connected with Aoyama Gakuin and continued his work here as an educator of youth in the Classroom, and for years in the Ginza Methodist Church Gospel Society Night School in special Christian service-thirty-four unbroken years in Tokyo and Aoyama Gakuin.

For more than twenty years the Alexander home was open every Wednesday evening to their old students and friends. In the little School of Aoyama Gakuin he was not only a teacher of young boys but an advisor and friend of the large staff of young teachers who were much dependent upon his wise and accurate knowledge.

During his forty-six years of missionary work in Japan he was twice treasurer of the Methodist Mission; he was also active on committees with Hospital work, the Christian Literature Society, the American Bible Society, and the Book and Tract Society. He was an active member of the Tokyo English Speaking Society, the Harvard Club, and the Asiatic Society. He was one of the founders of the Minooke Summer Settlement at Gotemba. At the time of his death he was President of the Canadian Association of Japan.
Mr. Alexander is survived by his wife; by two sons: George, living in Calgary, Alberta, Canada, and by Robert Jr., living in Tokyo; by three daughters: Mrs. Raymond Bush of Moose Jaw, B. C., Canada, Mrs. Leon Stropey of Massau, New York, and Mrs. Paul Gerhard of Tokyo; by two brothers: Dr. William Alexander of Montreal, Canada, and the Rev. Herbert Alexander of Albion, Michigan; by two sisters: Miss V. T. Alexander of Vancouver, Canada, and Mrs. Clara Mellett of Wataskiwin, Alberta, Canada. There are also seven grandchildren.

This is the brief record of a long life of Christian character, Christian service, and loyalty to high Christian ideals. We who knew him best thought of him as a lover of home, family and children; a faithful and efficient teacher, and a loyal friend. Brother and Sister Alexander have been noted, for years, for binding to their hearts in unbroken loyalty many Japanese individuals and families.

Word of the passing of Bro. Alexander reached us in Kobe while we were in the midst of our first United Japan Methodist Mission Council. Immediately the Council stopped for prayer and to express our sympathy and love to Mrs. Alexander and her family.

Bishop Yorke especially requested me to bear to the Alexander family at this service the dear and undying friendship of our United Methodist fellowship- a fellowship not bounded by human limitations but linked forever with the living Christ.

And now from out the glory
In living clouds of light,
The old, familiar faces come
Beaming on his sight;
The early lost, the early loved,
The friends of long ago-
Companions of his pilgrimage
And conflicts here below.

In life and death all travel toward God's throne,
His hands reach out to draw us gently home;
He, at our journey's end, gives peaceful rest;
His heart, the only homeland of the blest.
Rev. and Mrs. R.P. Alexander

Dr. Alexander is now one of the veterans of the Methodist Mission in Japan. A Nova Scotian (?) by birth, he represents that infusion of British blood which, from time to time, has invigorated our missionary personnel.

He, too, served for several years in rural Japan before being located in Tokyo for school work. "Alex" teaches in the Academy for boys, and has done so for many years. Many of his boys are now successful and prominent. Away back in the early days he started a Sunday evening Bible class for these boys at his home, and that class is still going. One evening I was present and met the Business Manager of the Imperial Hotel, perhaps the most famous and surely the most extraordinary hostelry in the Far East. At the same time, "Alex" has not lost his contact with the present student generation, as a visit to one of his English classes will convince you. To hear those students of first year English conversing with animation on the qualities of a Christian hymn book held in the teacher's hand, is to be assured that here is a pedagogue who knows how to open a foreign language to a young seeking mind, and at the same time, how to impart Christian ideals therewith. Such is Dr. Alexander's ability.

Mrs. Alexander is an able helpmeet. For several years, in addition to caring for the home, and in particular since the older children have grown up and gone off to college, Mrs. A. has interested herself in improving the home life and status of Japanese women. The school campus and the American missionary homes there at Aoyama provide such excellent facilities for this service. For years there had been a Home Workers' Club, meetings were largely attended by Japanese ladies. Then a few years ago this led to the establishment of a National Mothers' Association, of which Mrs. Alexander and another Methodist missionary, Mrs. Draper, are sponsors. This association publishes literature on all conceivable
subjects related to home life: clothing, teething, nursing, sanitation, cooking, sex, Christian morals, along with specific evangelistic material. Some time ago the Mothers' Association on Mother's Day presented the Empress of Japan with a banquet of beautiful white carnations and a Bible bound in silver silk. This token of esteem of the "First Mother of the Land" was graciously accepted, and those who ought to know say that both the former, and Her Majesty, the present Empress, have been students of the Bible, though they are not professed Christians.

The National Mothers' Association of Japan is a Christianizing factor of wide significance in Japan, though here, as so often where the "little candle throws its beam" one never can gauge the results. When God giveth harvests they are often difficult to measure with our little buckets and baskets.

Dear Dr. Leonard:

The accompanying blank was received this morning, and I fill out as fully as I can. The enclosed questions for four, for I have never been able to answer through asking several times. The fact is I followed your instructions and more than one document formal or otherwise from any Bishop. Presumably it was made in April or May 1933 and forwarded to the Bishop residing in Japan. The Conference had closed within two weeks, and now more than two years have passed with no information about the matter.

Have these two questions not been filled out from records in your office? Since it they can I should be very pleased to have them communicated to me. If the matter is one of importance I should like to be in possession of the information. It is assumed I should receive it some time at times asked for.

With kind regards,

Yours sincerely,

R. P. Alexander
