The purpose of this finding aid is to help you understand the nature of this collection and to assist you in the retrieval of material from this collection. The following pages contain a brief biographical history of the person, or persons, who created or collected these papers, followed by a general description of the collection in the scope and content note. If more detailed information is warranted then series descriptions also appear. The container listing appears last and is the listing of material in each box, or container, of this collection. To request material you need to turn to the container listing section. It is essentially a listing of file folders, or artifact items, in the collection. Each folder, or item, has a call number associated with it. Each folder also lists the inclusive dates of the material in the folder. On the material request form list both the call number and the folder, or item, title. Use a different line for each folder, or item, requested. When your request sheet is complete, or full, bring it to the archivist and the material will be retrieved.

Biographical Note

Thomas Marriott (1786-1852), British philanthropist, was born in Hoxton Square, London. He was the son of the Methodist philanthropist William Marriott. One of his earliest memories was that of seeing John Wesley in his coffin. Marriott married Charlotte Emelie Instell Rance in 1808. Marriott built an extensive library and Methodist memorabilia collection. Upon his death in 1852, he left 10,000 pounds to the Wesleyan Missionary Society, and the rest of his estate was used to support the Worn-Out Preachers' Fund.

Scope Note

This is a collection of Methodist circuit plans Marriott obtained during his life. The dates of the plans range from 1823 to 1833. Some of the plans are in Welsh and/or French. In addition to the circuit plans there are two manuscripts about Samuel Wesley and a small folder of other writings.
