The purpose of this finding aid is to help you understand the nature of this collection and to assist you in the retrieval of material from this collection. The following pages contain a brief biographical history of the person, or persons, who created or collected these papers; followed by a general description of the collection in the scope and content note. If more detailed information is warranted then series descriptions also appear.

The container listing appears last and is the listing of material in each box, or container, of this collection. To request material you need to turn to the container listing section. It is essentially a listing of file folders, or artifact items, in the collection. Each folder, or item, has a call number associated with it. Each folder also lists the inclusive dates of the material in the folder. On the material request form list both the call number and the folder, or item, title. Use a different line for each folder, or item, requested. When your request sheet is complete, or full, bring it to the archivist and the material will be retrieved.

Biographical Note

Edwin Ronald Garrison (1897-1995), an American bishop, was born to R. Eliot and Susie Enright Garrison in Frankford, Indiana, on December 26, 1897. Garrison married Edith Heritage on January 20, 1922. They had two daughters, Helen Carolyn (Mrs. Lewis Kauffmann) and Marion Ann (Mrs. J. H. LoPrete). Edith Garrison died July 14, 1971. Edwin married Marion Thompson in 1973. Edwin died on January 3, 1995.

Garrison attended Depauw University (B.A. 1921) and Drew Theological Seminary (B.D. 1925) as well as receiving other honorary degrees. He was ordained to the ministry of the Methodist Episcopal Church in 1927. Between 1928 and 1942 he served churches in Sheridan, Elkhart (St. Paul's), and Bluffton, Indiana. He was District Superintendent of the Wabash District for five years. Between 1950 and 1960 Garrison served as the administrative assistant to Bishop Richard C. Raines. In 1960, he was elected to the episcopacy by the North Central Jurisdiction and assigned to the Dakotas Area. He retired at the North Central Jurisdictional Conference in 1968. In 1992, Garrison received the Drew University School Distinguished Service Award.

Scope Note

The bulk of the three hundred and fifty-one folders in this collection are placed in the Study of the Parish System series. In the mid-1960's, the Council of Bishops asked Bishop Garrison to do a comprehensive study on how to restructure the parish ministry to meet the rapid changes in both society and United Methodism. Here we find all the records of Garrison's study which still influences parish ministry into the early 21st century. The researcher will be surprised at the efficiency and scope Garrison brought to the task. By the early to mid-1970's Garrison wound down his research and presented his findings to the Council of Bishops. The Episcopal series documents Bishop Garrison's work as administrative head for both the Dakotas and Indian areas. Besides illuminating his bishopric work amongst the annual conferences within the appropriate episcopal geographic boundaries, there are other records on important topics facing the larger denomination as well. A number of audio CD's created from reel-to-reel tapes record meetings and ordination services that Garrison took part in during his episcopal tenure. The Ministry series covers his professional life prior to his episcopal election. One will find sermons, overseas trips, vital church records where he served and other kinds of materials related to local church ministries. Lastly, is the Education series which centers on higher education. Degrees, earned or honorary, are located in various folders. Correspondence makes up the rest of the series which includes notable figures in church and political circles.
