If more detailed information is warranted then series descriptions also appear. The container listing appears last and is the listing of material in each box, or container, of this collection. To request material you need to turn to the container listing section. It is essentially a listing of file folders, or artifact items, in the collection. Each folder, or item, has a call number associated with it. Each folder also lists the inclusive dates of the material in the folder. On the material request form list both the call number and the folder, or item, title. Use a different line for each folder, or item, requested. When your request sheet is complete, or full, bring it to the archivist and the material will be retrieved.

## History Note

The creation of the African American centered Central Jurisdiction, as well as the five geographic jurisdictions, were part of a compromise between the Methodist Episcopal Church and Methodist Episcopal Church, South, in order to merge with the Methodist Protestant Church to form the Methodist Church in 1939. Race was always the ever present, heavily weighted, issue in the background during merger talks. Because of the insistence by the Evangelical United Brethren Church to end the Central Jurisdiction as a part of the 1968 United Methodist Church merger became the final nails in the racially segregated coffin.

## Scope and Content Note
